## Kapitel 4: Sweet Mortal Sin

### Sweet Mortal Sin

#### 1. Stanza

I'm mad. I admit to it. Totally mad.  
Mad about you.  
You are my mortal sin... 'n' I like to be sinful

#### 2. Stanza

I'm lunatic. I admit to it.  
Totally lunatic about you.  
You are like a drug, which I can't get away.

#### Chorus

I'm so lewd ... I know... You are the reason  
Hence...  
My soul demand you. My heart lust after you. My body want you.

#### 3. Stanza

More 'n' more I desire you.  
I don't want to stop thinking of you...  
'Course you are my mortal sin.

#### 4. Stanza

I'm ill. I admit to it. Totally ill.  
Ill about you.  
I fall for you... Hold me 'n' don't let me go anymore.

#### 5. Stanza

I want to taste you. I want to smell you.  
I want to fall for you completely.

#### 6. Stanza

In your arms I want to sink.  
In your eyes I want to be drowned.  
'Course you are my mortal sin...
