

Ling-Chang's Lyrics

Von Ling-Chang

Kapitel 3: Fallen Angel

Flying with wings in the night sky
Must be so wonderful,
But I'm a fallen angel.
My wings are broken
Like my heart.

I want to be your angel,
But with my wings
I'm useless to you.
I can't help you in dangerous times.
I can't cheer you up when you're sad.
I'm useless to you

My heart doesn't beat a rhythm,
I'm dead,
But I want to protect you,
Because you are my precious.

I thought my life is useless,
But there was this light.
It shined from somewhere
And this light was you.

I want to be your angel,
But with my wings
I'm useless to you.
I can't help you in dangerous times.
I can't cheer you up when you're sad.
I'm useless to you.
